Backing onto the forest this large and modern country house with beautiful view of the surrounding countryside. Construction was completed in 2012 of this light and bright bungalow. Large windows and open-plan living area comprising of american style fully fitted modern kitchen opening to the dining area and lounge, with wood burner fireplace. The main house also has two huge double bedrooms, a large bathroom with whirlpool bath and large walk-in shower, large dressing walk-in room and utility room. There is a separate entrance to the guest suite comprising large bedroom with ensuite bathroom. The property also has a good size garage with large storage room to the rear. The property benefites from mains water connection and electricity. Presented in excellent order, viewing recommended. Lucena del Puerto is located in the Condado del Huelva (Rural Valle/County) on the edge of the Parque Natural de Doñana and close to the historic Rio Tino. The local beaches of Mazagon are totally natural.
