An extraordinary luxury home at La Monacilla on the front line of the golf course. This home has been finished to the highest standards, with impeccable architectural features throughout. With views of hole 1 at La Monacilla Golf course, 3 kilometers to Bellavista Golf course, 14 kilometers to the beach and 1 hour drive to Seville or Faro airports. Built on a 2,410 m² plot, its perimeter protected by main fences built with limestone masonry imported from Portugal, molded and placed by hand for total privacy. Two areas are differentiated, the housing area and the sports area. The home, landscaped with all kinds of plants, grass and a natural stone sphere as a decorative fountain, an infinity saltwater pool and a patio with bathroom and kitchen. The sports area consists of a multi-sports court and a glazed paddle tennis court with lighting. Total constructed area 644 m², of which 564 m² of housing and 80 m² of closed garage with automatic doors for vehicles. As soon as we enter the house, we are greeted by a large glass patio with a decorative statue, which leads us to the kitchen with a large pantry and laundry room, a courtesy toilet, a study, an elevator, a large living...
