Country house on the edge of the little village of Candon between Beas and Niebla, just a short walk to the local cafe. The house is semi-detached and has been extensively updated by the present owners making it a light and bright living space. Renovation work includes thermal insulation of walls and ceilings, replacement windows, Kitchen and bathroom etc. There is ample accommodation consisting of three bedrooms and a dressing room, large lounge with fire place, American kitchen opening into the dining area, bathroom with walk-in shower, garages, car port, and utility area. Connected to mains electricity, water and waster water. There is also a registered water well that is used for garden irrigation. The land is mainly garden with grass and planted areas, at the rear there is a chicken run, workshop area, fruit trees and plenty of parking. With good access from paved road.
