This is a beautifully presented country villa located on the hill above Bonares village, it is two hundred metres from edge of the village within easy walking access to all amenities including banks, health centre, supermarkets and cafes. The view of the surrounding countryside is fantastic, the gardens mature and designed for easy maintenance part of the garden is fenced separately and used for growing fruit and vegetables. There is a large swimming pool and patio area, most of the house is surrounded by a covered terrace designed into the building giving shaded areas and keeping the house cool. There are various out-building for garden equipment and tools etc. Also, lots of parking area for several cars and the plot is securely fenced and gated. The house is in excellent order having a large modern kitchen with dining table, walk-in pantry and utility room. There is a huge dual aspect living room with fire place and wood burner. All three of the bedrooms are large doubles and the master bedroom has a walk-in dressing room and en-suite bathroom.
