Located on the edge of El Rompido village this beautiful spacious villa with sea views was constructed in 2005 by the current owners. Having south orientation in a private plot of over 1000 square meters there is off road parking for several cars in the carport and extensive landscaped gardens. The main entrance to the house connects with the open plan living room and dining room with large doors to the covered garden patio. Also, on the ground floor there is a guest annex with entrance lobby connecting the bedroom, dressing room and large bathroom. There is also a large modern fitted kitchen with external door and large utility room with walk in pantry. Next to the staircase leading to the first floor there is a washroom with toilet. On the first floor there is an open landing with lounge room leading to the huge exterior terrace across the south side of the house. There are also three large double bedrooms and three bathrooms on the first floor and a storage room. All bedrooms have an associated bathroom. yjree of the batrooms are ensuite. With panoramic sea views from the first floor terrace, this house is built to a high standard, double glazed aluminium windows with shutte...
